This gorgeous, low maintenance, Ranch style patio home offers one of the best locations in Golden with incredible mountain views from every window & back patio! Backing to the New Loveland Mine Park open space, you will enjoy the walking path from the neighborhood to the Clear Creek bike path trail system & all that downtown Golden has to offer, including dozens of restaurants, shops, music, theater, Colorado School of Mines & many community events. There are a ton of recreational opportunities directly accessible from the home including mountain biking, jogging, walking, hiking, tubing, kayaking, rock climbing, tennis, pickle ball & more, as well as the Golden Community & Recreation Center at Lyon's Park which is only a 5 minute walk away. The open kitchen with island opens up to the dining area & vaulted great room, with gas fireplace, tons of windows & patio door overlooking North & South Table Mountain and downtown Golden, with a spacious, private patio with lawn area. The primary...
